Detailed Summary of The Lake Isle of Innisfree (200–250 Words)

The Lake Isle of Innisfree, from **Class 9 NCERT Beehive**, is a poem in which the poet shares his longing for a quiet and peaceful life away from the noise of the city. The poet wishes to go to the Lake Isle of Innisfree, a small island where he plans to build a simple cabin made of clay and wood. He dreams of growing beans and keeping honeybees there.

At Innisfree, the poet believes he will enjoy complete peace. The mornings will be calm with mist, afternoons bright with sunlight, and evenings filled with the gentle sound of crickets. The poet feels that nature will give him emotional and mental satisfaction that city life cannot offer.

Even while standing on a busy road in the city, the poet hears the soft sound of lake water splashing in his mind. This shows that the memory of Innisfree lives deep in his heart. The poem clearly contrasts noisy city life with the peaceful rhythm of nature, similar to how chapters like *Kathmandu* also show contrasts between places and lifestyles.

The Lake Isle of Innisfree teaches that true peace comes from simplicity and closeness to nature. The poem encourages readers to slow down and reconnect with the natural world to find inner calm.
